events added here*

YARLOOP'S GARAGE SALE TRAIL

The Yarloop Progressive Garage Sale was a huge success, with 15 households participating in the trail. The Yarloop Community Resource Centre received a lot of great constructive feedback about the event and are looking to make it an annual event.

If you would be interested in participating in the next progressive garage sale, contact the Yarloop CRC on (08) 9733 5600 or message us on Facebook to register your details.

MONTHLY ART & CRAFT DAY

The CRC is always a hive of activity on our monthly Art & Craft Days. Everyone brings along their own projects to work which provides inspiration to others on the different projects that they could try.

Boosting confidence and providing a creative output, these free monthly art days are lots of fun. Everyone is welcome to come a long and join in. See next page for details on the next Art & Craft day.

In March, we organized for Sharon (Mosaics By Shaz) to come along and teach mosaics to those who were interested in learning a new art form for a small cost. The turn out was great and the CRC would look at providing more low cost structured art classes if the interest was there.

Community Catch Up

Past & Present Yarloop Community Members

**Tuesday, 22nd May 2018
at 11.30am**

As recovery events have been scaled down for some time, we thought it would be a great opportunity to hold a community catch up for all past and present Yarloop residents.

YARLOOP COUNTRY WOMEN'S ASSOCIATION NEWS

Hello to readers from the Yarloop Branch of CWA. This is the first of what we hope to be regular news from the Yarloop Ladies.

Most locals would have, by now, seen that we have a new building on our site at 7 Station Street. Built by TR Homes Australia to our requirements, the new building is modest and will serve CWA and the community needs for a long time to come.

We have a fully equipped commercial standard kitchen, two rooms suitable for consulting or small meetings, one large meeting area which can accommodate up to 20 people around tables and a fully functional disabled bathroom. We hope to be able to utilise the building once the power, sewerage and water are connected and some fill provided at the front so a disabled ramp and handrail can be installed.

We have a few new local members who have joined as financial members and are learning how and what CWA is all about by immersing themselves in the activities the branch offers. These activities include organising and

carrying out catering activities, sewing, knitting, crochet, other craft activities, fundraising stalls, cooking demonstrations; the activities are only limited by our imagination. Some of our members did really well, winning entries at the Harvey Show with their exhibits. Some of these skills were learnt at CWA.

We would encourage any ladies who would like to know more about CWA to join us at some stage when we move back to Yarloop. You can attend three meetings/events as a visitor.

In the meantime, keep updated from the Facebook page @ YarloopCWA.

A VERY WARM WELCOME TO OUR NEW TRAINEE – AMBER!

The Yarloop CRC is happy to introduce our most recent Trainee and member of the CRC team, Amber Johnson.

Amber will be studying a Cert III in Business course throughout the duration of her Traineeship and is a happy addition to our team. Please make her feel welcome.

DRAFT PLANS ARE IN FOR NEW YARLOOP COMMUNITY CENTRE

The draft plans on the proposed Yarloop Community Centre are in and up on display at the Yarloop Community Resource Centre. The plans are also available on the Shire website and at the Harvey Shire Office for viewing.

The building is proposed to replace the Yarloop Town Hall incorporating the previous Town Hall façade and will provide space for the Yarloop CRC.

Australind timetable changes are approaching

From 7 April, the following timetable changes will come into effect on weekends and some public holidays. The weekday timetable remains the same.

Service 108 (changing to Service B58)
departing Bunbury 2:45pm, arriving Perth
5:15pm will now leave Bunbury at 4:45pm
and arrive at Perth Station at 7:12pm

Service 105 (changing to Service B57)
departing Perth 5:55pm, arriving Bunbury
8:25pm will now leave Perth Station at
7:55pm, arriving in Bunbury at 10:18pm

The timetables may be changing, but the journey between Bunbury and Perth will remain the relaxing two and a half hour trip it has always been.

To book your next trip, visit transwa.wa.gov.au or call 1300 662 205.

..... Bringing WA closer

TransWA

Construction has begun at Yarloop Station to upgrade the low-level platform to be raised - compliant with Disability and Discrimination Act (DDA) standards. The station will be closed to the public and reopening proposed for mid-year. Passengers will need to use Cookernup OR Waroona Stations during installation of the new raised platform.

The new raised platform will improve the experience of Transwa passengers travelling to or from Yarloop on the Australind service, which operates twice daily between Bunbury and Perth.
